to go sightseeing

it depends on the countries

too much many people don't have a job

they can find quickly a job quickly

job security is important to win earn money

time off is valuable

place of living residence

a stone's throw away ( I live a stone's throw away from my office) = close to

to be homesick = to suffer from homesickness

emigrate / immigrate

Aidan make a bad decision

the quality of life is more expensive
